Attached hereto is an amendment to the specification to provide the correct priority claim. A new declaration from the inventors having the proper priority claim is also submitted herewith.

A check for the surcharge under 37 C.F.R. §1.17(t) is submitted. If the check is missing or insufficient, or if an overpayment has been made, please debit or credit as necessary the undersigned's Deposit Acct. No. 502144.

This application was filed as a CIP of 09/459431 (12/31/1999), which is in the possession of the undersigned. It recently came to light that the matter added in this CIP application is present in other cases not in my possession, which are listed on the declaration and the accompanying amendment.
